

Garces Memorial Booster Club

The Garces Memorial Booster Club's goal is for all of our parents and supporters to be a member of the Booster Club. The Booster Club will support ALL extra-curricular activities and will work to enrich the Garces Student Community by providing financial support and exhibiting "RAM PRIDE" while at Garces events and out in the community.

Become a member of the Garces Booster Club and attend and enjoy Booster Club activities or just provide financial support. Membership is from July 1- June 30. Garces parents will earn PSI hours for joining and be given the first opportunity to sign up for additional PSI hours via Booster Club sponsored activities.
